Subject: DOE licenses

Maureen/Julie,

Does DOE have a license for the distribution of Cf-252 sources under SSDs (NR-277-S-104-S, -106-S and -107-S)? The address on the SSDs is:

U.S. Department of Energy
P.O. Box 2008
Oak Ridge, TN 37831-6390

-104-S is for 5.2 uCi Cf-252

-106-S is for 26 Ci Cf-252

-107-S is for 18.2 Ci Cf-252

I am asking because OCFO just back billed them for 10 yrs of annual fees on the 3 SSDs and they are balking on one saying they haven't distributed any sources under it in 20 yrs. I will discuss this with Kathryn and John as well.

Bill
