Docket No: 50-331
Op. License No: DPR-49

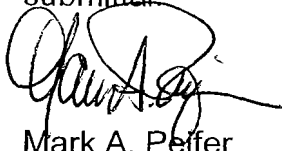

2003 Annual Exposure Report - Form 5s

In accordance with the requirements of 10 CFR 20.2206, Nuclear Management Company, LLC (NMC) is providing an electronic copy of the Annual Reports of Radiation Exposure in NRC Form 5 format for persons **who** received occupational exposure at the Duane Arnold Energy Center (DAEC) during 2003.

A total of 1951 Form 5s are enclosed as an electronic copy of this data on a 3.5" diskette formatted in IBM-DOS/ASCII format per Regulatory Guide 8.7. The enclosure is in alphabetical order.

Pursuant to 10 CFR 2.390(a)(6), NMC requests that the information provided be withheld from public disclosure.

Please contact David Miller at (319) 851-7529 with any questions regarding this submittal.
