MEMORANDUM TO: Al Gooden, Fuel Facility Inspector  
Fuel Facility Inspection Branch 2  
Division of Fuel Facility Inspection  
Region II

FROM: Robert C. Pierson, Director **/RA/**  
Division of Fuel Cycle Safety and Safeguards  
Office of Nuclear Material Safety and Safeguards

SUBJECT: APPRECIATION FOR CONTRIBUTIONS TO INSPECTIONS AT THE  
HONEYWELL INTERNATIONAL, INC., FACILITY

Your significant contributions to the inspections at the Honeywell International, Inc., uranium conversion facility in Metropolis, IL, have been greatly appreciated. Your participation has required work during the holiday period when annual leave is often scheduled and on several weekends, as well as long hours on site. Your leadership, personal sacrifices, dedication, and high level of professionalism have been instrumental in the Agency's ability to conduct a timely and thorough assessment of the releases that have recently occurred at this facility and the associated corrective actions planned and implemented by the licensee.
