Dear Sirs:

**Subject: Palo Verde Nuclear Generating Station (PVNGS)
Units 1, 2, & 3
Docket Nos. STN 50-528/529/530
Submittal of 2002 Annual Financial Reports**

10 CFR 50.71(b) requires each power production licensee to submit its financial report, including certified financial statements, to the Commission upon issuance of the report. Palo Verde Nuclear Generating Station (PVNGS) Units 1, 2, and 3 have seven joint licensees who issue their annual financial reports at different times through the year. In order to meet the 10 CFR 50.71(b) requirement, Arizona Public Service Company (APS), the operator of PVNGS Units 1, 2, and 3, compiles the annual financial reports from the seven joint owners of the PVNGS Units and submits them to the Commission all at one time.

Enclosed please find a CD containing each of the 2002 Annual Financial Reports for the Participants who jointly own PVNGS. These Participants are Arizona Public Service Company, Salt River Project, El Paso Electric Company, Southern California Edison Company, Public Service Company of New Mexico, Southern California Public Power Authority, and Los Angeles Department of Water and Power

No commitments are being made to the NRC by this letter. Should you have any questions, please contact Thomas N. Weber at (623) 393-5764.

Sincerely,

Thomas N. Weber for
SA Bauer
