SUBJECT: MEETING WITH JOSEPH PALLADINO, PENN STATE UNIVERSITY

On Tuesday 10 a.m. Mr. Joseph Palladino of the Penn State University Reactor Staff, will be seeing Mr. H. L. Price briefly in connection with the acquisition by Penn State of the Curtiss Wright Quehanna research reactor, which Curtiss Wright is turning over to Penn State as a gift. It is not anticipated that Mr. Palladino's discussion with Mr. Price will last more than fifteen minutes. Mr. Price has requested that after his meeting with Mr. Palladino representatives of HEB, Licensing Branch, and OGC be available to discuss the details of the licensing aspects involved. I suggest that the second meeting with Mr. Palladino take place in the HEB conference room and that the designated representatives of the organizational units below be available for call at or 10:15 a.m.

Please have the name of the person designated by you to attend telephoned to my secretary.

Addressees:  
C. K. Beck - HEB  
R. Lowenstein - OGC
