Attention: Dr. E. F. Osborn
Vice President for Research

Gentlemen:

By letter of April 16, 1959, you received an interim indemnity agreement which indemnifies the Pennsylvania State University against public liability arising out of or in connection with activities authorized under License No. R-2. On November 29, 1960 License No. R-72 was issued to the University which authorized the possession of the nuclear research reactor facility at the Curtiss-Wright Research and Development Center at Quehanna, Pennsylvania. This license had an effective date of December 12, 1960. At the time this license was issued, your indemnity agreement should have been modified accordingly to indemnify the activities arising out of or in connection with this License No. R-72.

Enclosed are two signed copies of an amendment to your interim indemnity agreement reflecting this change. Please sign, date and return one copy to this office.

We regret the delay in formally amending your interim indemnity agreement.

Sincerely yours,

R. Lowenstein
Acting Director
Division of Licensing
and Regulation
