Subject: Renewal of Quality Assurance Program Approval
For Radioactive Material Packages No. 0019
R.E. Ginna Nuclear Power Plant
Docket No. 50-244

- References:**
- (1) Letter from P.L. Eng, NRC, to R.C. Mecredy, RG&E, Subject: Quality Assurance Program Approval for Radioactive Material Packages No. 0019, Revision No. 7, dated June 11, 1999.
 - (2) Letter from M.J. Wallace, Constellation Generation Group, LLC and R.C. Mecredy, RG&E, to the NRC, Subject: Application For Order and Conforming Administrative Amendments for License Transfer, dated December 16, 2003.

The purpose of this letter is to apply for renewal of Rochester Gas & Electric's (RG&E's) Quality Assurance (QA) Program Approval for Radioactive Material Packages No. 0019. RG&E's current QA Program Approval No. 0019 (Revision 7) will expire on June 30, 2004.

QA Program Approval No. 0019, Revision 7, was issued by the NRC on June 11, 1999 (Reference 1) for the above activities as conducted regarding transportation packages under applicable criteria of Appendix B to 10 CFR Part 50. Pursuant to 10 CFR 71.101(f), the approved 10 CFR Part 50, Appendix B Quality Assurance Program for RG&E's R. E. Ginna Nuclear Power Plant satisfies the provisions of 10 CFR Part 71, Subpart H, with respect to transportation packages.

Also, the R.E. Ginna Nuclear Power Plant is currently expected to be transferred from RG&E to R.E. Ginna Nuclear Power Plant, LLC (Ginna LLC) in June 2004 (Reference 2). Ginna LLC intends to continue to engage in activities (i.e., procurement, maintenance, repair and use) as previously authorized.

415501

As such, in addition to the renewal, it is requested that the QA Program Approval No. 0019 be amended, contingent upon and following license transfer, as follows:

1. The blocks for company name, street address, city, state and zip code should be revised to be:

R.E. Ginna Nuclear Power Plant, LLC
1503 Lake Rd.
Ontario, NY 14519

Any extended delays in the license transfer will be communicated to your office.

This communication contains no new licensing basis commitments.

If you have any questions, please contact Mr. Thomas Harding at (585) 771-3384.

Very truly yours,

Robert C. Mecredy
