SUBJECT: Westinghouse AP1000 Probabilistic Risk Assessment Report Revision 7

Attached please find Revision 7 of the AP1000 Probabilistic Risk Assessment (PRA) report. Revision 7 incorporates the additional Westinghouse responses to Open Items identified in the Draft Safety Evaluation Report that have been transmitted to the U.S. Nuclear Regulatory Commission since February 27, 2004. The PRA report contains a Revision 7 Change Roadmap that provides the basis for each of the changes incorporated in the PRA. Please note that Revision 7 only includes an update to those sections of the PRA that contain changes.

There is no information proprietary to Westinghouse included in this transmittal. The Westinghouse Electric Company copyright notice is included within the document.

Please contact me if you have any questions concerning this transmittal.

Very truly yours,

R. P. Vijuk, Manager
Passive Plant Engineering
AP600 & AP1000 Projects
