Attached for your concurrence is a final rule for the FY 2004 fees to be assessed to recover 92 percent of the NRC's FY 2004 budget authority. In order to meet the statutory requirement to assess and collect the fees by September 30, 2004, this final rule must be published by July 5, 2004.

Please note that in order to meet the expedited schedule for the FY 2004 rule, the OCFO sent the draft rule to the offices for review. Comments have been received and incorporated, unless otherwise noted. We are requesting simultaneous concurrence in order to meet the publishing deadline. Please provide your concurrence as quickly as possible, but no later than Noon, Friday, April 2, 2004.

If you have any questions, please contact Ann Norris at 415-7807 or Tammy Croote at 415-6041. Thank you for your assistance in this matter.
