SUBJECT: CRYSTAL RIVER NUCLEAR GENERATING PLANT, UNIT 3 -  
SUPPLEMENTAL RESPONSE TO THE APRIL 29, 2003, ORDERS MODIFYING  
LICENSES FOR REVISED DESIGN BASIS THREAT (TAC NO. MC2909)

Dear Mr. Young:

On April 29, 2003, the U.S. Nuclear Regulatory Commission (NRC) issued an Order modifying the operating license for the Crystal River Nuclear Generating Plant, Unit 3 to: (1) require compliance with a revised design basis threat (DBT); (2) implement new security force personnel training and physical fitness requirements; and (3) prescribe compensatory measures related to fitness-for-duty enhancements applicable to security force personnel.

Section III.A.1 of EA-03-086 (DBT Order) required that all licensees submit revised physical security plans, safeguards contingency plans, and guard training and qualification plans, including an implementation schedule, based on the revised DBT, to the Commission for review and approval no later than April 29, 2004. The Order further requires licensees to implement the revised physical security plans, revised safeguards contingency plans, and revised security force personnel training and qualification plans no later than October 29, 2004.

By letter dated April 29, 2004, you submitted a supplemental response to the Order for the Crystal River Nuclear Generating Plant, Unit 3. During the acceptance review of your submittal by NRC staff, the need for additional information in Attachment E was identified. The need for additional information was discussed with Mr. Scott Young of your staff on May 11, 2004. Mr. Young agreed to furnish the revised Attachment E.

The NRC staff will be reviewing your physical security plan in the months of May and June, your training and qualification plan during July, and your contingency plan during August. Should further information regarding your submittal be necessary to support our review, you will be notified promptly.

Dale E. Young

-2-

The NRC staff is currently reviewing your supplemental response and intends to complete the review of your revised plan by October 29, 2004.

Sincerely,

***/RA/***

John A. Nakoski, Chief  
Security Plan Review Team  
Project Directorate II
