Desc: I request any documents related to two matters emanating from a case of alleged discrimination at the Callaway plant. These matters are referred to in the NRC document, "EA-03-040 - Union Electric Company, RESPONSE TO ALLEGED DISCRIMINATION (2003-ERA-008)", accession number ML031671233. This document mentions:

- 1) An NRC Office of Investigations "ongoing investigation into this matter to determine whether a violation of 10 CFR 50.7 occurred."
- 2) That Union Electric had contracted "with a firm to perform an independent survey of the safety-conscious work environment at Callaway, with results expected in the July-August 2003 time frame..."

I have been unable to find any documents in Adams relating to either 1) or 2). Please provide me with all documents relating to the OI investigation referred to above, and all documents relating to the "independent survey" allegedly conducted by Union Electric.
