Docket No. 30-36239-ML; ASLBP No. 03-814-01-ML

Dear Administrative Judges:

The NRC staff (Staff) is updating the Hearing File for this proceeding by the addition of two documents bearing ADAMS Accession numbers ML041250238 and ML041350094. The first document is CFC's request by letter received in Region I on May 4, 2004 to amend its license to identify Russell Stein, in place of Marie Turner, as the Radiation Safety Officer for this license. Attached to CFC's amendment request is a listing of Mr. Stein's qualifications for the position. The Staff reviewed the application and its approval is reflected in the second letter, dated May 14, 2004.

If any participant in this proceeding has difficulty accessing either of these documents, please contact me at (301) 415-1684.

Sincerely,

/RA/
