Docket No. 40-8968-ML

ORDER

On May 14, 2004, intervenors Eastern Navajo Diné Against Uranium Mining and the Southwest Research and Information Center filed before the Commission a Motion to Supplement the Final Environmental Impact Statement for the Crownpoint Uranium Project Church Rock Section 8. Subsequently, the Commission has received two related procedural motions: (1) Hydro Resources, Inc.'s motion for an extension of time in which to respond to the intervenors' Section 8 motion; and (2) an NRC staff motion requesting the Commission to defer consideration of the Section 8 motion until the Presiding Officer rules upon a virtually identical motion on Church Rock Section 17.

Pursuant to my authority under 10 C.F.R. § 2.772(k), the intervenors' motion to supplement the FEIS in regard to Church Rock Section 8 is referred to the Presiding Officer, to consider together with the already pending and virtually identical motion on Church Rock Section 17.

IT IS SO ORDERED.

For the Commission
