On May 20, 2004, the U.S. Nuclear Regulatory Commission (NRC) staff held a meeting at the NRC Headquarters, One White Flint North, Rockville, Maryland, with representatives from FPL. Pursuant to the Commission's Policy Statement on "Enhancing Public Participation in NRC Meetings," (67 FR 36920), dated May 28, 2002, the meeting was open to the public for observation and an opportunity to communicate with the NRC staff following the business portion of the meeting. FPL plans to submit its formal supplemental information within a few weeks of the meeting. No NRC staff decisions were made during the meeting. The NRC staff also clarified that questions outlined in Attachment 3 were not to be treated as official requests for additional information (RAIs). The staff provided these questions for clarification purposes only. The NRC staff will issue formal RAIs over the next few months.
