SUBJECT: UNITECH SERVICES GROUP, ACCEPTANCE OF FOURTH QUARTER 2003
EFFLUENT RELEASE REPORT, CONTROL NO. 134612

Dear Mr. Neeley:

This is in reference to the letter dated March 1, 2004, providing the sewer effluent discharge report for the fourth quarter of calendar year 2003 as required by NRC License No. 37-23341-01. Based on information provided by Glenn Roberts in a telephone message on March 24, 2004, we understand that effluent releases to the river began in February 2004. Future reports will contain results of analyses of releases to the sewer and/or releases to the river, as appropriate. We further understand that you may change the format of these reports if needed. If any of our understandings are incorrect, please inform us in writing. No further correspondence on this matter is required.

Your cooperation is appreciated.

Sincerely,

Original signed by Elizabeth Ullrich
