Ms. Mary C. Ott
Co-Chairman
Citizens Urging Responsible Energy
P.O. Box 2621
Duxbury, MA 02331

Dear Ms. Ott:

This letter is in response to your letter dated April 30, 2004, in which you informed us that we had incorrectly identified the Co-Chairman of your organization, Citizens Urging Responsible Energy (CURE), in our March 16, 2004, invitation letter. Our letter intended to invite you and members from your organization to attend our March 24, 2004, annual assessment meeting regarding the Pilgrim Nuclear Power Station. In addition, you indicated that since you had received our letter two days prior to our meeting, neither you nor your organization were able to meaningfully participate.

I apologize for incorrectly identifying the Co-Chairman of CURE in our March 16, 2004, letter. I have taken action to correct this situation in future correspondence.

Our March 16, 2004, letter was intended to supplement our normal process that informs the public about pending public meetings, such as our annual assessment meeting regarding the Pilgrim Nuclear Power Station. On our NRC website (<http://www.nrc.gov/public-involve/public-meetings.html>), you can view the upcoming public meetings and select those that may be of interest to your organization.

If you have any additional questions, please contact me at (610) 337-5185.

Sincerely;

/RA/

Donald Florek, Acting Branch Chief
Projects Branch 5
Division of Reactor Projects
