Re: Presentations on ACR-700 Codes and Standards

During the meeting between AECL and NRC staff on ACR-700 Codes and Standards that was held on May 25-26, 2004, AECL made the following presentations:

1. Codes and Standards to be Applied to the ACR-700 Design in the U.S.;
2. Reactor and Reactor System/ Component Level Compliance with NRC Regulations;
3. Design Codes and Standards for CANDU-Specific Requirements;
4. Applicability to the SRP.

The enclosed CD contains copies of the aforementioned presentations.
