Subject: RESOLVE INSPECTION ASSIGNMENTS FOR ALLEGATION 97-33/126 at FITZPATRICK

Ken,

I just realized that I already had committed myself to a full day of activities outside of work on my CWS day - Wednesday. In order to get me involved and not bag Rogge with the job, can we move the meeting to Thursday? If not, I'll edit my existing list of allegation issues and propose tentative assignments for each issue based on my understanding of the concern and have Rogge do the meeting as planned on Wednesday. Thanks!!

Rich
