Subject: UPDATE ON FITZ ALLEGATION 97-33/126 -Reply -Forwarded -Forwarded -Forwarded

Rich,

I can't place anything on the panel without a completed Allegation Disposition Record, that has been reviewed by DRP Division management. This the by the new direction of your division. We can identify this as an issue to be paneled in the future, but I can't put it on the discussion schedule until we have the draft ADR.
