SUBJECT: SERVICE LIST FOR AP1000

Dear Ms. Connor:

I am updating our communications plan to contact individuals after the NRC issues the AP1000 final safety evaluation report. Your name appears on our service list and we would like to make sure that you still would like to be on our list. If it is your desire to remain on our list, please send me your email address at sdb1@nrc.gov, or send a letter to me, so that our records can be updated. If you do not want to remain on our list, please let me know either by email or send me a letter, and I will have your name removed from our list. If you have any questions regarding this matter, please call me at 301-415-1313, or via my email address.

Sincerely,

/RA/
