Subject: Concerning June 21st-23rd Hearing

Dear Judge G. Paul Bollwerk, III:

I am writing on behalf of one of my constituents, Elena Day, about the lawsuit concerning Dominion Power's site permit. The first hearing is scheduled for June 21st through 23rd in Rockville, Maryland.

The issue of building nuclear power plants is obviously one of great complexity and importance. There are many important issues that need to be explored and taken into account to ensure the safety of the people and the environment around the site. Elena Day and many others would like to attend the hearing.

I hope you will consider moving the hearing to the directly affected area.

One possibility would be the Federal building in Charlottesville, Virginia.

I appreciate your consideration in this matter.

Sincerely,

Rob Bell
