DATE: 31 May 95
RE: L.S.S.A.R.P. Meeting

The Oneida Nation is honored to have been chosen for the site of the July '95 L.S.S.A.R.P. Meeting and is looking forward to serving as your host.

Per numerous requests, enclosed are various brochures and pamphlets about the Oneida Nation, Green Bay, and Wisconsin attractions. I have tried to include a variety of items suitable for sports enthusiasts, history buffs, country drivers, and those of you who just want to explore! I hope that you find the information a suitable start.

Should you desire more information, please feel free to contact Carol Prendeville, Program Secretary, or myself at 1.800.261.2163.

As you know, a block of rooms has been reserved for L.S.S.A.R.P. meeting participants at the Oneida Nation's Radisson Hotel directly across from the airport. We have arranged for direct payment, credit card, cash on check-in, or government P.O. billing. You may either contact the Radisson directly to confirm your room or contact Carol. In any case, be sure to indicate any room specifics, i.e. non-smoking, third floor, not facing the sun, etc.

Attached is the tentative schedule for your visit. The L.S.S.A.R.P. Meeting Agenda will be provided by either Mrs. Hoyle or Mr. Levine.

Please call me if you have any questions. Thanks!
