Re: Participant Guidance for LSS

Dear Mal:

Enclosed you will find materials presented by the LSS Administrator at the July 6-7 Advisory Review Panel (ARP) Meeting held in Oneida, WI. The materials include the *LSS Participant Commitments* document which is essentially unchanged since the May 12 LSS ARP meeting, and, two new preliminary draft items which are being disseminated for participant review and comment. The two new documents are the *LSSA Guidance on the Format and Content of LSS Participant Compliance Program Plans* and the *LSS Participant Compliance Program Plan Certification Document*. I am also including a copy of the overheads used by our contractor, Labat-Anderson, in their presentation. The overheads contain a schematic which represents the function performed by these three documents in the overall process of gaining access to the LSS. These materials, in conjunction with the transcript, should be sufficient background for your review of the two new items.

We would appreciate your comments by the end of August 1995 rather than by the 15th as noted in the overheads. If you require any additional information please contact me at (301)415-5507.

Sincerely,

/s/
