Dear Commissioners and Staff:

Pacific Gas & Electric Company (PG&E) is submitting the enclosed data files for the 2003 Annual Radioactive Effluent Release Report, as requested by Mr. Roland Wood of Nuclear Regulatory Commission (NRC).

This submittal forwards portable data files (pdf) for the Diablo Canyon Power Plant meteorological and windrose data. These data files were previously sent to the NRC as Microsoft Word documents, under PG&E Letter DCL-04-050, dated April 30, 2004.

One compact disk is being sent with this letter. The disk contains meteorological data. If you have any questions, please contact Jeff Gardner of my staff at (805) 545-4385.

Sincerely,

James R. Becker
