

May 24, 2004

MEMORANDUM TO: SSD Case 04-27, Science Applications International Corporation

FROM: Nima Ashkeboussi *Nima Ashkeboussi*  
Materials Safety and Inspection Branch, IMNS

SUBJECT: Destruction of submitted documents

Science Applications International Corporation (SAIC) included proprietary drawings and testing data in their letter dated May 5, 2004. SAIC requested these documents not be made public. The proprietary information was destroyed and the information in these documents was not used in the safety evaluation of the SCAD device.
