**SUBJECT: LICENSING SUPPORT SYSTEM ADVISORY REVIEW PANEL, TECHNICAL
WORKING GROUP (LSSARP, TWG) MEETING**

DATE: JANUARY 20, 1995

I would like to have the first meeting of the Licensing Support System Advisory Review Panel, Technical Working Group (LSSARP, TWG) on January 26 and 27 at the Clark County Nuclear Waste Division conference room at 301 E. Clark Ave, Ste 570, Las Vegas, Nv 89155-1751. The draft agenda is attached for your review and comment.

There are several issues we need to cover as well as define the goals of this working group. I anticipate this meeting will mainly prioritize the activities of the LSSARP/TWG and make the decision as to what we want to accomplish between now and the next LSSARP meeting on March 22 and 23, 1995 in Las Vegas.

I apologize for the relatively short notice of this meeting, but it could not be avoided. Your participation in this meeting is essential to the success of this working group. If there is a problem in attending, contact me as soon as possible and I will try and make other arrangements for you participation. Thanks.

Sincerely,

ROGER HARDWICK
Systems Engineer
