Washington, DC 20006-3708

Dear Jim:

Subject: PWR Primary-To-Secondary Leak Guidelines, Revision 3

Two copies of the draft version of the subject Report are enclosed and include both a Proprietary and Non-Proprietary version. One copy is for NEI and the other copy is provided for transmittal to the NRC.

In addition an EPRI transmittal letter and affidavit are provided to specifically address the Proprietary version of the Report and should accompany the Report that is sent to the NRC.

The NEI Report transmittal letter to the NRC should identify that any comments on the report should be provided in electronic form using the enclosed Comment Form, a copy of which has been sent to you electronically. The comment period should be identified as four weeks. You may send any comments received to my e-mail address at jbenson@epri.com.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "James M. Benson".
