3M Company  
ATTN: Mr. Robert G. Wissink  
Chairman, 3M Isotope Committee  
Medical Department  
3M Center  
St. Paul, MN 55101

Gentlemen:

Thank you for your letter of January 31, 1979, concerning Building 538D at the Twin Cities Army Ammunition Plant. We have no objection to the action you have taken. We would, however, appreciate receiving from you a schedule for cleanup of the sump pits, sewer lines, and any other contamination which may exist under Building 538D.

Sincerely,

Nathan Bassin  
License Management Branch  
Division of Fuel Cycle and  
Material Safety
