Re: Private Fuel Storage - Docket No. 72-22-ASLBP No. 97-732-02

Dear Mr. Julian:

Today, Private Fuel Storage, L.L.C. is filing with the Commission its "Supplemental Brief on Commission Review of the Atomic Safety and Licensing Board Memorandum and Order on Disclosure/Redaction of Evidentiary and Decisional Materials Related to Financial Qualifications Decisions." PFS's Supplemental Brief contains confidential commercial and financial information concerning cost estimates and the terms of the Model Service Agreement under which PFS would provide spent fuel storage services to its customers. For the reasons previously set forth in the 2.790 affidavit and declarations of John D. Parkyn, Chairman of PFS, of May 15, 2000, September 25, 2000, September 28, 2000, December 4, 2000, and July 2, 2003, PFS requests that the NRC treat its Supplemental Brief as confidential information under 10 C.F.R. § 2.390 (formerly section 2.790).

If you have any questions, please contact me at (202) 663-8429.

Sincerely,

D. Sean Barnett
