Subject: (RIN 3150-AH12) ATTN: Rulemakings and Adjudications Staff

DOCKETED  
USNRC

July 12, 2004 (4:50PM)

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Dear Secretary,

I wanted to know if you could tell me why the government feels it needs to develop more "small" nuclear weapons ? Especially when we just went into Iraq to eliminate nuclear, biological and chemical weapons.

Your response will be appreciated

Sincerely,

Kevin Spiker
