Subject: Inspection License Fee Data

The processing of the Quarterly Inspection Fee Data Reports covering the period September 21, 2003 - December 27, 2003 has been completed.

The staff hours have been previously certified according to the bi-weekly Time and Labor Reporting procedures. We also certify that the "report sent date" has been entered in IRTS for completed inspections, and that those inspection reports with no "report sent date" are open in IRTS and will be closed in a future billing quarter. We also certify that the site/resident and the project manager staff files have been accurately maintained during the billing quarter.

If you have any questions or need additional information, please contact Christine Calloway, at 404-562-4826.
