Hi Dave – Brian Cosgrove's comments below:

Woody Fogg is gone from the NH emergency planning group. Lori Tkaczyk would know who his replacement is. Sens. Nancy Chard and Peter Shumlin should be replaced by Sen. Rod Gander and Sen Jeanette White  
Rep. Don Webster should be replaced by Rep. Sarah Edwards  
Rep. Dan Darrow should be replaced by Rep. Richard Marek  
Rep. Robert Rustin is listed twice  
Ross Barkhurst should be replaced with Jay Thayer  
Not sure why Deb Katz is invited? She has no official position except as a member of Citizens Awareness Network, an anti-nuke group in Massachusetts.

Brian – Dave Pelton has requested that you look at the list of invitees for the upcoming NRC EOC meeting. He said that based on info from Brian McDermott that you review list prior to the invitations being sent out.

I told him that you would not be able to get to this today due to the referendum and he said tomorrow is fine.
