**Subject:** RE: State Interest in VY status updates

Todd,

I will run it past our state liaison engineer Dave McElwee. He has the responsibility for updating the State of Vermont and is on distribution.

Jim DeVincentis, PE

Manager, Licensing

Entergy Nuclear Vermont Yankee, Phone 802 - 258 - 4236 / Pager 802 - 742 - 9036

Jim,

Additional addressees of interested state government representatives for update messages are included in the attached message. Please include them on distribution for your periodic status updates.

Thanks,

Todd

Jim,

Please add Gary Robertson, Washington State, to your distribution list  
for updates. His email address is:

gary.robertson@doh.wa.gov,

Thanks,

Todd

Update:

Inspection of the fuel pool is essentially complete and nothing was found.

Records searches and interviews are ongoing to build a timeline and complete a root cause.

We have a corporate assessment ongoing to look at our current SNM process this week.

No significant new from any of our efforts.
