Ronda,

In the 2.206 petition letter (NVY 04-42) at the end, NRC asks that we provide a response to the petition (if we so choose) and that a copy has been enclosed for this purpose. I have checked with Sally, and we never received the attached petition. Can you get back to NRC ASAP and request the enclosure (petition) be sent to us ? Preferably by e-mail at this point.

Thanks.
Jeff
