Melinda,

In response to the subject GT request, we're submitting the following recommendations for areas to be independently examined by the IG during FY05. In determining these, we considered the areas that are scheduled for a program or PART evaluation in the coming years.

The four areas we recommend are as follows:

- 1) Allegation Program
- 2) Rulemaking
- 3) Force on Force (exercises)
- 4) Merit Staffing Program

This e-mail satisfies the green ticket request and will serve as the basis for closeout of NRR's action.

Thanks,

Darrell Roberts
