Subject: Termination of Byproduct Material License No. 19-01398-30.

Gentlemen:

The Martin Marietta Corporation hereby requests that Byproduct Material License No. 19-01398-30 be terminated. Concurrent with the termination of Byproduct License No. 19-01398-29 for the operation of our Radioisotope Production Facility at Quehanna, Pennsylvania, Byproduct Material License No. 19-01398-30 is no longer needed. Disposition of the Strontium-90 source authorized for use in instrument calibration was made by burial at an approved site during the decontamination of our Quehanna facilities.

Thank you for terminating Byproduct Material License No. 19-01398-30.

Very truly yours,

Martin Marietta Corporation
