Subject: Briefing Book for NEI drop-in visit with Marty on July 27th

Jennifer,

Attached is the electronic copy of the briefing book (Key messages and Bios). Please let me know if you need anything else for the meeting. I plan to include you on distribution for my notes from the UTSC meeting I attended earlier today.

This should close Ticket No: G20040473, due to the EDO today. Could you please ensure the EDO mail room knows the ticket has been closed?

The key messages were coordinated with Lawrence Chandler of OGC.

Thanks

Doug
