Also, this letter provides a supplemental response to previous requests for additional information regarding our Physical Security Plan, Sections 1-19. Specifically, in References (c) and (d), several questions were considered generic changes to the NRC endorsed template. Those questions were forwarded to the industry Security Frequency Asked Questions Panel for consideration. We have received the Security Frequency Asked Questions Panel's recommendation for responding to several of the generic questions submitted and have supplemented our response accordingly.

Should you have questions regarding this matter, we will be pleased to discuss them with you.

Very truly yours,
