Dear Mr. Lohaus:

The purpose of this letter is to inform you that I am appointing Paul S. Schmidt, Chief of the Radiation Protection Section in the Department of Health and Family Services, as the State Liaison Officer (SLO) for Wisconsin to the Nuclear Regulatory Commission. This appointment is effective August 16, 2004.

Wisconsin's new SLO has worked for over 20 years in the radiation field, including time in the nuclear power industry, and is thus well qualified to facilitate information transfer on radiological health, safety and security issues. Please contact Mr. Schmidt directly at 608 267-4792 or schmips@hfs.state.wi.us to obtain the necessary mailing and contact information.

I look forward to our continued cooperation in this important area.

Sincerely,

Jim Doyle
