North Anna Early Site Permit Project
Quality Assurance Program Plan**

1.0 PURPOSE

The purpose of this Quality Assurance Program Plan (QAPP) is to establish the quality program interface between the Bechtel Nuclear Quality Assurance Manual (NQAM) and Dominion Energy's specific requirements/commitments, which are applicable to North Anna ESP activities. This QAPP specifically identifies the QA policies, and modifications thereto, applicable to this project to reflect unique project or Dominion Energy requirements contained in Dominion Early Site Permit (ESP) Application Development Quality Assurance Manual.
