Number of copies to be filed:

- 10 CFR 50.4(b)(3), "Acceptance review application" requires 1 original and 13 copies.
- After determining the application is acceptable for docketing, 10 CFR 50.4(b)(2)(ii) requires an additional 25 copies:
 - 24 copies to be submitted to the document control desk
 - 1 copy to Regional Office.

The 1 copy to appropriate Resident Inspector is not applicable to the ESP.

- After determining the application is acceptable to docketing, 10 CFR 51.55(a) requires an additional 41 copies of the Environmental Report.

(License Renewal applicants routinely provided all of the copies during the original submittal.)

Note: the NRC also issued RIS 2001-005, Guidance on Submitting Documents to the NRC by Electronic Information Exchange or on CD-ROM. An applicant would have to request and receive an exemption in order to provide 1 copy -- paper or electronic (over 15MB file size would need to be submitted on a CD).
