I've heard from all involved parties on the date for the QA meeting and all can support any of the three dates you gave me, Sept. 9, 10, or 11. I believe you said Sept. 10th was your first choice (this is also best for me). Shall we schedule it for that afternoon at Exelon's Kennett Square office? 1:00? You let me know what works best for you all and I will put out a meeting notice. If you can give me a street address and room number for the meeting notice, that will be helpful.

Nan
