All,  
We have begun moving files on \\vyplantbdc. Most of these will be migrating to \\vyshared1.

Moves today include:

	From	To
PlantBdc	<u>\\vyplantbdc\shared2\procedures working directory</u>	<u>\\vyshared1\pub</u>
	<u>\\vyplantbdc\shared2\d.jeffries photos</u>	<u>\\vyshared1\pub</u>
	<u>\\vyplantbdc\shared2\*. * (all but "Procedures Working Directory" &amp; "D. Jeffries Photos")</u>	<u>\\vyshared1\pub</u>

Procedures Working Directory will be moved at 5pm. The others have already been moved. You may need to update any shortcuts you have to these locations.
