Ms. Thiele,

I've been out of the office and just saw this email. I recently began another (temporary) assignment and have forwarded your request to the person who's now handling the environmental review (Jack Cushing) and to Mike Scott.

At this time you are already on the mailing list we've set up for those interested in the environmental review. You mentioned email in your message and I felt I should mention that we don't send out any sort of general emails. Correspondence of record is in the form of letters.

Dear Andy:

Would you kindly add me to the list of those receiving all materials and all email updates concerning the ESP for North Anna?

Should I send a separate request to Scott as well?

Thank you so much!

Gratefully,
