Dear Director Blough:

On behalf of the Cape May County Board of Chosen Freeholders, I am inviting you to participate in our upcoming Homeland Security Conference "Keeping America Safe" taking place on Tuesday, September 14, 2004 from 11:00 a.m. to 1:00 p.m. The conference will be held at the County Administration Building located at 4 Moore Road, Cape May Court House, New Jersey.

On September 11th we will mark the third anniversary of the tragic events that changed our nation forever. In light of the heightened state of alert and increased security procedures that our nation is currently experiencing, our goal is to update and reassure the citizens of Cape May County about security measures being instituted around the nation, throughout the state of New Jersey and in Cape May County.

Your participation in our previous conference was very informative and helped us to achieve our goal of keeping our citizens informed. If you are unable to personally participate, we are requesting that you send a representative from your organization.

Please confirm your attendance with our Communications Director, Lenora Boninfante, at (609) 463-6678. Also, please let us know your topic and if you will need anything for your presentation. We look forward to your participation at our conference.

Sincerely yours,

Daniel Beyel
Freeholder Director
