Response to Request for Information for
Requalification Program Inspection

By letter dated August 9, 2004, the NRC, Mr. George Hopper, requested training materials to support the Catawba requalification inspection. As requested, these training materials are provided in the attached electronic file in the letter to Mr. Hopper. This file includes the following information:

1. Exam results since last requal inspection, copies of exam that had pass/failure rates significantly outside the average.
2. A copy of the last biennial requal written examination. (2RO/SRO exams)
3. List of personnel scheduled for requal testing the week of 8/30/2004.
4. Copies of simulator scenarios for this exam.
5. Program evaluation for the previous 2 years training cycle.
6. A list of all personnel that reactivated their licenses since the last requal inspection.
