MEMORANDUM TO: William Dean, Assistant for Operations
Office of the Executive Director for Operations

FROM: E. William Brach, Director /RA/
Spent Fuel Project Office
Office of Nuclear Material Safety and Safeguards

SUBJECT: PATRAM 2004 SYMPOSIUM -- PRESENTATIONS

In accordance with Management Directive 3.9 and subsequent OEDO guidance, information is provided below regarding presentations to be made as part of an international conference on transportation of radioactive materials, PATRAM 2004, while on foreign travel to an international group. The papers do not involve new policy issues. This information is provided for your transmittal to Commissioner Assistants for information. Please note that associated papers were transmitted to you on August 11, 2004, under separate cover, as they were due to the conference on August 31, 2004, prior to the actual conference dates. NRC has also been asked to present a speech as the lead US representative during the first day opening plenary session and a second plenary speech to open a morning session on a subsequent day. These two plenary speeches are also provided in the attachment. Finally, one of the previously submitted PATRAM papers on the Package Performance Study has been slightly modified to include more detailed information on the test plan and has been re-submitted below.

Meeting: PATRAM 2004--The 14th International Symposium on the Packaging and
Transportation of Radioactive Materials
