Subject: Receipt of application dated July 30, 2004, requesting renewal of License
No. 42-21454-01E; Mail Control Number 022429

Dear Ms. Harris:

This is to acknowledge receipt of your application for renewal of the materials license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office. Renewal actions are normally processed within 180 days. The NRC may contact you in the interim, if additional information is required. Please retain this correspondence as documentation that your license remains in effect until the renewal process is completed.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/reading-rm.html> (the Public Electronic Reading Room).

If you have any questions, you may contact me at (301) 415-5810, or by email at jxr4@nrc.gov. Any correspondence regarding your renewal application should reference the mail control number specified above.

Sincerely,

Jonathan Rivera
