SUMMARY OF PUBLIC MEETING ON SECURITY MATTERS

On August 4, 2004, NRC held a public meeting to discuss its activities related to nuclear security, and the problems with releasing security information in the post 9/11 environment. NRC staff has prepared a summary of the presentations at the meeting. The summary is posted, along with copies of the slides used, on the NRC public website under the key topic "Nuclear Security."

If you have any questions about the summary, slides or this letter, please contact me or Richard Blanton of my staff at 301-415-2322 or rlb@nrc.gov.
