Eddie - Do you have meeting times and locations for the site visits next week?

Nanette -

Thanks for the heads up on the May 11-12 Site Visit info.

However, the info prompts a few questions.

- 1) Can you give me an approximate head count for the tours each day?
- 2) Can we get a little more guidance on what might constitute the requested/needed Security "data"?
- 3) What topics might fit into the safeguards information arena "discussions and accumulation of information"?

Repeat of the provided info... (for ease of reference)

Security - May 12

Need data to analyze:

- 1) air approaches to the site and PA
- 2) water approaches to the site and PA
- 3) Land approaches to the site and PA
- 4) Identification of offsite response resources

A physical walk/drive around the OCA and PA.

Consider discussions and accumulation of information to go to the Safeguards Information arena.
